1	Yes, I love the program.	5/10/2016 10:49 AM
2	No	5/10/2016 9:31 AM
3	Yes absolutely. I wanted a program that balanced the secular and traditional studies as best as they could. Here its not a traditional madarasa where its all about fiqh, Quran, and Sunna. I have classes here that I can take about Media, Film, Literature.	5/10/2016 7:41 AM
4	It has met my expectation, to be sure.	5/9/2016 11:40 PM
5	Yes	5/9/2016 9:34 PM
6	The program and its curriculum fulfills what is expected from a religious institution in America. But there is always this expected previous knowledge of religion in the curriculum. Ex. How to read Qur'an, Aqiide, Fiqh.	4/28/2016 1:33 PM
7	Yes	4/27/2016 4:59 PM

11	yes it improves my Islamic knowledge and makes me want to know more about Islam.	4/22/2016 10:57 AM
12	It has not yet. I expected traditional courses along with the academics. For example, I am a third year student, yet I still haven't taken an introduction to fiqh or aqeedah which somewhat disappoints me	4/21/2016 11:55 PM
13	Yes, still need some help.	4/21/2016 4:32 PM
14	The faculty has been one of the best aspects of the AIC degree program. The curriculum and the ability to meet student is also a plus. There are issues with timely grading and feedback however.	4/21/2016 2:45 PM
15	Yes. It even exceeded my expectations	4/20/2016 9:59 PM
16	Most, but not all. We are very new to the science, and we have a long way to come.	4/20/2016 5:19 PM
17	It definitely has. Th programs, teachers, office staff is on point.	4/20/2016 5:03 PM
18	yes	4/20/2016 3:51 PM
19	Yes, up to this point. However, I am concerned about whether the school will be accredited by the time I complete my studies.	4/20/2016 3:38 PM
20	Yes - wide range of classes in my area of interest	4/20/2016 3:09 PM
21	In a way yes, in another no. It helped my pick up a new perspective in Islam and modernity but, i'd also like to see classes such as Aqida, Fiqh etc.	4/20/2016 2:56 PM

2	They are awesome.	5/10/2016 9:31 AM
3	I love AIC's culture and environment	5/10/2016 7:41 AM
4	This is great. I feel at home in AIC's environment.	5/9/2016 11:40 PM
5	The environment and culture is pretty good for people that like to socialize and be close to everyone. But sometimes I want an isolated place to study by myself, and that place does not exist.	4/28/2016 1:33 PM
6	Perfect	4/27/2016 4:59 PM
7	I like it! It's like family	4/27/2016 3:29 PM
8	I really like that you created a women's mosque area, it is very peaceful place to refocus and pray	4/24/2016 11:57 AM
9	There aren't a lot of American Muslims I like that it is very diverse but some don't even know who Malcolm X is or understand Islam in an American context I do like that many cultures are represented.	4/23/2016 6:21 PM
10	I would say it is improving. In the fall semester of 2014 it felt very welcoming and student oriented. The spring semester of 2015 seemed more like, "ok you're invested in the school now so we don't need to do as much for you (like coffee!!). Fall 2015 was very confusing with a lot of changes. Spring 2016 felt better, but I still feel like there is not consistency about applying some of the rules.	4/22/2016 3:01 PM
11	I love AIC environment because I feel like we are all family and one unity.	4/22/2016 10:57 AM
12	I believe the diverse culture of AIC has many benefits to the students. During in-class discussions, when people make a point or make a comment on a topic usually their cultural background influences our thoughts and this way students learn and find out about different cultures that they could not have if they were maybe in a different school.	4/21/2016 11:55 PM
13	Positive.	4/21/2016 2:45 PM

Q14 What are the areas that AIC can improve upon?

Answered: 20 Skipped: 3

#	RESPONSES	DATE
1	More academic activities.	5/10/2016 10:49 AM
2	Making the school more traditional, the curriculum needs some improvement by including classes like aqida, logic, and other classes that are relevant to our tradition.	5/10/2016 9:31 AM
3	I think they could improve on the dormitory residence, President position.	5/10/2016 7:41 AM
4	AIC management is expected to hold effective advertisement campaign to increase number of students. There are many free periodicals based on advertisements in Chicago that can be used for AIC publicity. I think advertisements in these periodicals are not costly. This is one example. All possible means of publicity can be found out.	5/9/2016 11:40 PM
5	The class schedule need to get into order. Push more classes into the morning and early afternoon. Class layout and organization. More student amenities.	4/28/2016 1:33 PM
6	Nothing	4/27/2016 4:59 PM
7	Class schedules and specific classes should be made available to different times so that all students can benefit from it	4/27/2016 3:29 PM
8	Offer more classes and a variety of schedules. When I started, I had Friday afternoon and Saturday morning classes, now I have Monday and Wednesday morning and Tuesday evening classes, which is hard to manage around full time work and other obligations. If more classes were offered at consistent days, times, I could finish my degree faster. I would also like to HEAR the ATHAN and be encouraged to pray on time, even if I am in class at the moment.	4/24/2016 11:57 AM
9	Making the school more visible there should be a bigger sign. Marketing I know the school works hard, but there should be a visual way of letting the public know what the school is.	4/23/2016 6:21 PM
10	Consistency and not changing schedules at the last minute (not just class times, but also semester dates - the start of Fall 2015 was changed after the last day of class for Spring 2015 after people had left town, or at least that's when everyone found out about it.).	4/22/2016 3:01 PM
11	sometimes the rooms are cold.	4/22/2016 10:57 AM
12	It can approve in areas such as spiritual development. Balancing Spiritual and Academic courses would make AIC a much better college.	4/21/2016 11:55 PM
13	Offering variety of classes multiple times through out the year.	4/21/2016 4:32 PM
14	Enrollment, number of faculty, student jobs and opportunities for growth and partnerships with other institutions. A better student lounge, computer lab. JSTOR availability on and OFF campus.	4/21/2016 2:45 PM
15	Creativity	4/20/2016 9:59 PM
16	Offer more elective classes, and classes during the summer.	4/20/2016 5:19 PM
17	get more student	4/20/2016 3:51 PM
18	Accreditation	4/20/2016 3:38 PM
19	Larger library and access to other college programs in area	4/20/2016 3:09 PM
20	More students and activities. They must get their name out there and become accredited..	4/20/2016 2:56 PM
