

AMERICAN ISLAMIC
COLLEGE

Multiply the Mission, Double the Impact *~ \$25K Matching Gift Challenge ~*

AIC is **North America's very first Islamic Liberal Arts college** (est. 1981) and now **one of only two independent Muslim institutions of higher education** on the continent to have achieved **full academic accreditation**. In AIC's case, this is the gold-standard accreditation from the Higher Learning Commission (HLC). This milestone signals a new chapter in which the quality, rigor, diversity, inclusivity, social impact, and thoughtful integration of Islamic values and intellectual traditions are publicly recognized, appreciated, and confirmed.

Now, we invite you to help shape the next chapter. AIC is growing rapidly, with **scholarly contributions in academia, employed and well-placed graduates, impactful community programs,** and **Islamically grounded values** that drive mission-forward thinking; we are building an Islamic institution that America needs and deserves.
